# ENRICHMENT

SPRING TERM 2026

P E N K E T H   H I G H   S C H O O L

# INTRODUCTION

At Penketh High School, we believe that education is about more than just what happens in the classroom. Our Enrichment Programme is a vital part of school life, designed to give every child the chance to explore their interests, try new experiences, and build skills that will benefit them both now and in the future.

We understand that each pupil is unique, and our wide range of clubs provides opportunities for all. With over 50 different activities running on a two-week rotation, there is something for everyone to enjoy. These 45-minute sessions take place during "Period 6", meaning pupils can take part without missing out on their regular lessons, but still before the end of the school day.

## ***What We Offer***

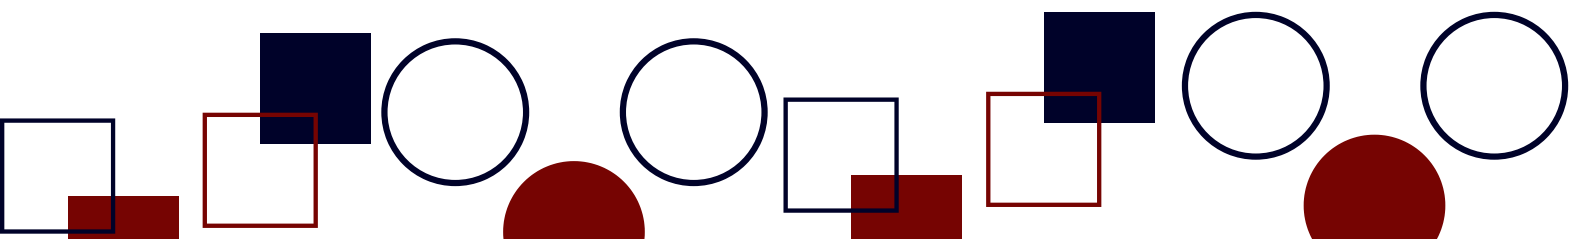

Our Enrichment Programme covers a huge range of interests and passions. Some of our most popular options include:

- Duke of Edinburgh Award: A fantastic opportunity for adventure, resilience, and teamwork.
- Debating & Chess Club: Perfect for developing critical thinking, problem-solving, and communication skills.
- Sports Teams: From cricket to football and beyond, sport encourages teamwork, healthy competition, and physical wellbeing.
- Creative & Practical Skills: Clubs such as craft, music, and microscope club allow pupils to explore their creativity and curiosity in fun, hands-on ways.

No matter what they choose, pupils will have the chance to build life skills such as teamwork, leadership, creativity, and resilience. They'll also discover new hobbies and interests that might stay with them for life.

## ***Supporting Holistic Development***

We see enrichment as more than just a fun addition to the school day - it is central to our commitment to developing the whole child to create positive life chances. By trying out new activities and pushing themselves outside of their comfort zones, pupils build confidence, independence, and perseverance. These experiences not only help them grow as individuals but also support their academic progress by developing focus, motivation, and problem-solving skills. Taking part in enrichment also supports positive mental health and wellbeing.

Clubs give pupils a chance to relax, enjoy themselves, and take a break from the pressures of academic work. Meeting new people and building friendships helps pupils feel a stronger sense of belonging in our school community, which is so important for their happiness and confidence.

### ***Building Skills for Future Careers***

Our Enrichment Programme is a key part of our "Dual Curriculum" at Penketh High School. This is our unique approach to helping pupils develop both academic knowledge and the wider skills they'll need to thrive in further education, the workplace, and adult life.

Through enrichment, pupils gain practical experience in areas such as:

- Problem-solving
- Emotional intelligence
- Leadership and teamwork
- Community involvement

These are the very qualities employers and universities look for, and pupils who take part in enrichment are well-prepared to demonstrate them. Whether it's leading a team, presenting ideas, or showing resilience in the face of challenges, the skills pupils gain will be a strong foundation for future success.

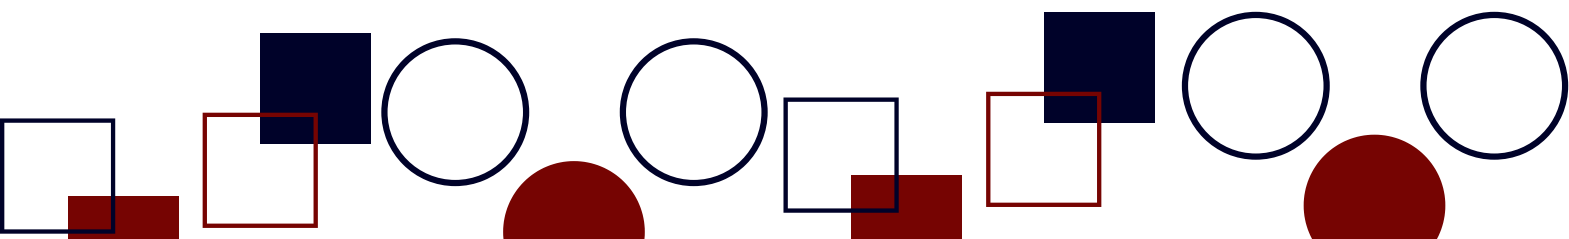

### ***A Journey of Growth***

At Penketh High School, we recognise that growth takes many forms, and every pupil's journey will look slightly different. Our Enrichment Programme is designed to support pupils at every stage of their development, offering opportunities that encourage them to challenge themselves, build confidence, and celebrate their progress.

We use a four-stage progression system - Beginner, Intermediate, Advanced, and Mastery - so that pupils can clearly see how their skills and experiences grow over time. This structure helps pupils to set personal goals, reflect on what they've achieved, and stay motivated to keep pushing themselves further.

A key part of this journey is the support pupils receive from their Personal Development Coach (PDC). Coaches meet regularly with pupils to discuss the skills they are building through enrichment, celebrate their successes, and identify areas for growth. These conversations help pupils to recognise how their new experiences - whether it's leading a team, presenting in debating club, or showing resilience on the Duke of Edinburgh Award - link to valuable life skills and future career pathways. Coaches also provide encouragement and reassurance, supporting pupils' wellbeing and helping them feel confident about their progress.

For some, growth might mean taking their first steps into a brand-new activity, such as trying chess or learning to play an instrument.

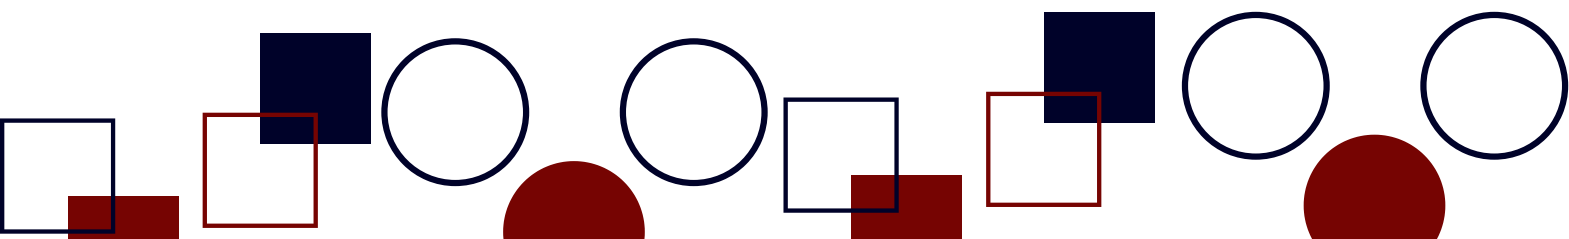

For others, it might involve deepening a passion they already have, like moving from participating in sport to captaining a team. At every stage, pupils are building resilience, independence, and a positive mindset - qualities that will support both their mental wellbeing and their ability to handle future challenges.

Importantly, this journey is not just about gaining skills for today, but about preparing for the future. Employers, colleges, and universities value young people who can demonstrate commitment, leadership, and the confidence to step outside their comfort zones. With the guidance of their Personal Development Coach and the framework of our progression system, pupils can clearly see how far they've come and take pride in their unique pathway of growth.

### ***Why We Encourage Participation***

We highly encourage all pupils to get involved in enrichment. It's not just about learning a new skill or joining a club - it's about building character, making memories, and preparing for the future. By stepping into something new, pupils discover their strengths, build resilience, and gain the confidence to take on challenges both in and out of the classroom.

We hope you'll encourage your child to take full advantage of the opportunities available. Together, we can help them thrive academically, socially, and emotionally - while preparing them for the exciting future ahead.

Rise to 9 is a program across KS3 for those pupils that have been identified as being capable of the highest grades at GCSE in 3 or 4 years time and we would like to make sure we are providing the best support for them to be able to achieve these.

These pupils performed exceptionally well during their KS2 SATs – achieving Greater Depth in Maths, Reading or both. That combined with their current achievements across their subjects and their work ethic shows that with a continuation of their commitment to their learning they will be capable of the highest grades at GCSE.

This program incorporates our enrichment sessions. Your child will be offered the opportunity to choose from enrichment groups for one of their enrichment sessions on a Monday or Tuesday. These will be explicitly linked to academic skills that will support them in mastering this skill for use across their subjects. They will be invited to a meeting within the school day to support them with this process.

# SKILLS BUILDER GOLD AWARD

We are proud to share that Penketh High School has achieved the Gold Award from Skills Builder - a national recognition of the outstanding work we do to help pupils develop essential skills for life and future careers. This award celebrates how our Enrichment Programme and Dual Curriculum framework work hand-in-hand to give pupils opportunities to practise and strengthen skills such as teamwork, leadership, problem-solving, and communication.

By taking part in enrichment activities and reflecting on their progress with Personal Development Coaches, pupils are not only enjoying new experiences but also building the very skills that employers, colleges, and universities value most. Achieving the Gold Award is a reflection of our commitment to ensuring every child leaves Penketh High School confident, well-rounded, and prepared for whatever path they choose next.

THERE WILL BE NO ENRICHMENT CHANGES IN THE SUMMER TERM SO PLEASE MAKE YOUR CHOICE CAREFULLY!

# April 2026 Enrichments

Monday (Year 7 and Year 8)	Tuesday (Year 7 and Year 8)	Wednesday (Year 9 and Year 10)	Thursday (Year 9 and Year 10)
Boys' Gaelic Football	Board Games and Card Games	Practical STEM Careers (Rise to 9)	Boys' Football
CAD Club (Year 7)	EmpowerHER	Boys' Football	Duke of Edinburgh (Year 9 Bronze)
Chess Club	Library Enrichment	School Production	Health and Social/ Child Development Taster (Rise to 9)
Classics Unlocked: Myths, Minds and Meaning	Football	Debate Society	Year 10 Food Hygiene
School Production	Fresh	Rounders	Athletics (Boys and Girls)

Anti-bullying and Community Connectedness Club	School Production		
Wordsearch Club	Wordsearch Club		
Yoga	Yoga		
Cheshire Schools' Book Award (Rise to 9)	Singing for Wellbeing		

# TIMETABLE

Clubs in red are a year long, you do not need to pick an enrichment if you are already part of these, Clubs in green you must pick the same club on both days.

# BOYS GAELIC FOOTBALL

LISTENING

TEAMWORK

Introduction to the Irish National sport - Gaelic football. The students will learn the skills needed to play the sport and take part in matches to enhance these skills.

# YEAR 7 CAD CLUB

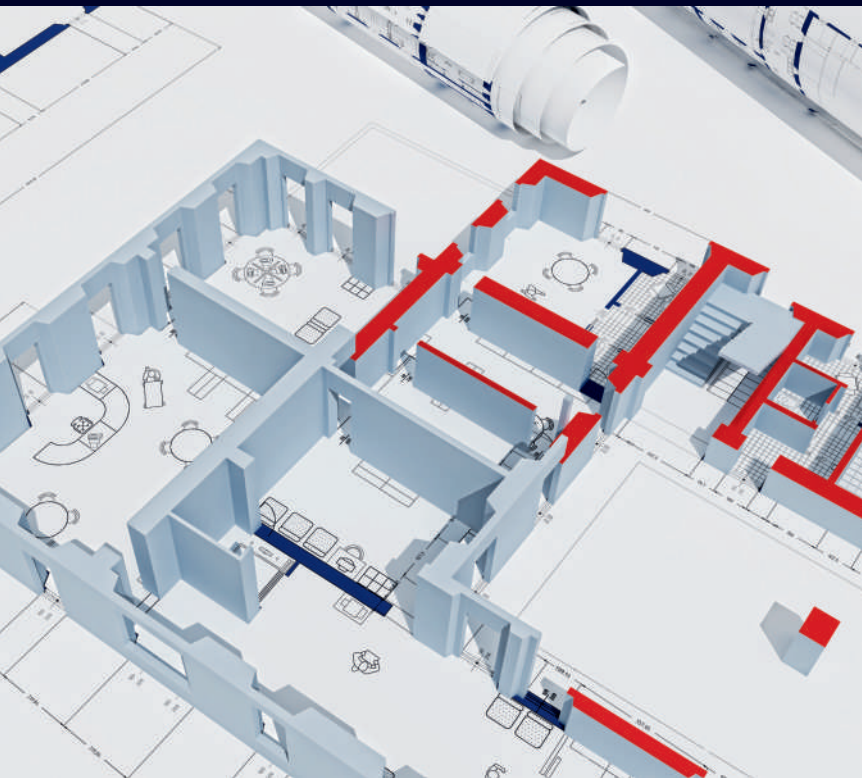

PROBLEM SOLVING

CREATIVITY

An introduction from the Design Technology department looking at 3D CAD (Computer Aided Design). All pupils will learn and use Goggle Sketch Up, this is a great first 3D CAD drawing package that we use in the DT curriculum in Y7,8 here at Penketh High.

# CHESS CLUB

PROBLEM SOLVING

CREATIVITY

Chess club is open to pupils who have some knowledge of how to play chess as we don't teach how to play from scratch. Opportunities to practice, compete, and discuss/solve chess puzzles which develop players' skill. Students can use the enrichment as an opportunity to try out different styles and strategies, from openings to end games, or just play for fun!

# CLASSICS UNLOCKED: MYTHS, MINDS AND MEANING (RISE TO 9)

SPEAKING

AIMING HIGH

Step into the world of gods, heroes, and epic ideas! Explore some of the most powerful stories from Ancient Greece — but with a twist. Each week we'll uncover a new myth, discover the big ideas the Ancient Greeks lived by and bring them to life through creative challenges, debates, and modern retelling.

Ever wanted to rewrite a myth with a modern twist? Act out a courtroom trial for a tragic hero? Or debate whether fate controls us? This is your chance.

By the end of the term you'll not only know incredible myths (and their hidden meanings), but you'll also have a taste of what it's like to study Classics — a subject that blends history, literature, philosophy, and art into one.

# SCHOOL PRODUCTION

TEAMWORK

CREATIVITY

Students who select this enrichment will make up the cast for the school musical. This year we will be doing Rock of Ages (Youth Edition). By selecting the enrichment and committing to the process, you have a part in the ensemble of the show. Main cast auditions will be held on Monday 8th December and more information will be on teams regarding this in the coming weeks.

Rehearsals will be during enrichment time and also run on after school on a Monday, Tuesday and Thursday until 4:20pm. Students who select this enrichment will need to commit to these after school rehearsals as well as the enrichment time (if you get the school bus home, please come and have a conversation with us). If you wish to participate in the school show, you need to select school production for BOTH days that you have enrichment. The only exception to this is if you are on a sports team or you are doing DofE. In these cases only you select for the opposite day that you are not in the team / in DofE.

If you have any questions, please speak to either Mrs Dean, Mrs Booth or Mrs Cole.

# EmpowerHER

EMOTIONAL INTELLIGENCE

POSITIVITY

Ready to spark your confidence, build your voice, and unleash your inner power? Then EmpowerHER is the club for YOU!

Join a community of inspiring girls where we talk real talk, take on fun challenges, and lift each other up. Whether it's boosting your self-belief, learning leadership skills, tackling stereotypes, or just having a good laugh – EmpowerHER is all about empowering YOU to be your boldest, brightest self.

Expect creative projects, inspiring guest speakers, team-building games, and the chance to make new friends while making a difference.

- 👑 Think confidence.
- 💬 Think courage.
- 💫 Think girl power – unlocked.

# GIRLS RUGBY

COMMUNITY  
CONNECTEDNESS

TEAMWORK

This enrichment will support KS3 Rugby fixtures. Pupils outside the rugby teams in year 7 and 8 are welcome. This enrichment will be focus on full contact Rugby so please do not sign up if this is something you do not want to do.

# IDEA AWARD

PROBLEM SOLVING

AIMING HIGH

The Inspiring Digital Enterprise Award, known as iDEA, is an international award winning programme that helps you develop and demonstrate your digital, enterprise and employability skills for free.

# CRICKET NET PRACTICE

POSITIVITY

TEAMWORK

This enrichment session gives pupils the chance to develop their cricket skills in a fun, supportive and structured environment. Using our cricket nets, pupils will be able to practice both batting and bowling with plenty of opportunities to refine their technique and have some friendly competition.

# SCHOOL SET DESIGN

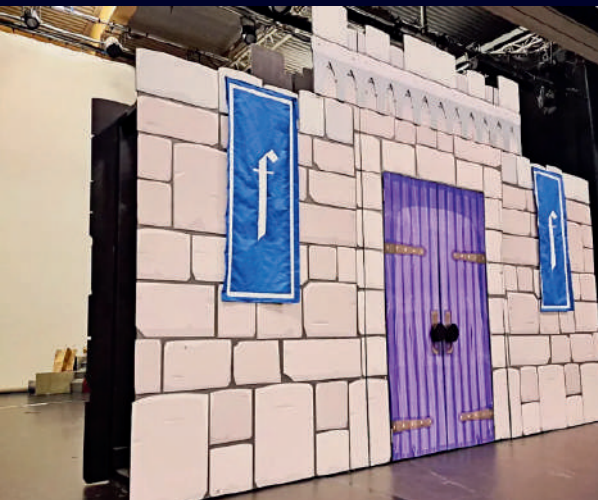

POSITIVITY

CREATIVITY

The Props & Set Design Club brings the school show to life through creative, hands-on design. Members sketch ideas, build props, and paint sets, using imagination and practical skills to shape each production.

Teamwork is at the heart of the club—students share ideas, collaborate on projects, and aim high to produce impressive, professional-style work. It's an inspiring space to develop creativity, learn new techniques, and make a meaningful contribution to the school show.

# TAG RUGBY

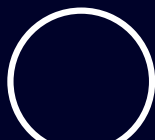

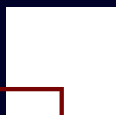

PROBLEM SOLVING

CREATIVITY

Tag Rugby Club is a fun and friendly place where pupils can learn, play, and enjoy rugby in a safe, non-contact way. Instead of tackling, players wear tags that opponents try to pull off, making it easy for everyone to join in, no matter their experience or ability. The club helps develop teamwork, fitness, and confidence through exciting games and activities. Whether you're new to rugby or already love the sport, Tag Rugby Club is a great way to stay active, make friends, and have fun!

# YEAR 7 SCIENCE CLUB

PROBLEM SOLVING

AIMING HIGH

Dive deeper into the weird and wonderful world of science!

Our Year 7 Science Club is a fun way to explore the parts of science we don't always have time for in class. You'll get to tackle exciting hands-on challenges and explore topics in greater detail, moving beyond the basics of what you learn in lessons. It's the perfect chance to ignite your curiosity and get a whole new look at what science has to offer.

# SEASONAL CRAFT

LISTENING

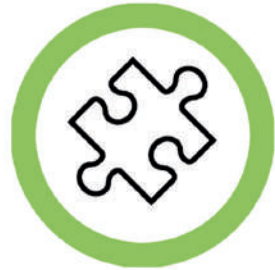

CREATIVITY

At seasonal craft club you will design and make small decorative items/gift items that can be taken home. Themes include Halloween, Christmas and Easter or even a special birthday gift for a loved one. You will spend some time designing your item, before using raw materials provided, to make your final product.

# ANT-BULLYING AND COMMUNITY CONNECTEDNESS CLUB

PROBLEM SOLVING

COMMUNITY CONNECTEDNESS

The Anti-Bullying and Community Connectedness enrichment club is designed for pupils who want to make a positive difference in school and the wider community. It's a space for Anti-Bullying Ambassadors, Wellbeing Workers, and anyone passionate about promoting kindness, respect, and inclusion. Members will work on projects to raise awareness about bullying, support peers, and develop initiatives that strengthen community ties. Activities include planning campaigns, volunteering opportunities, and creative ways to make Penketh High a safe, welcoming environment for everyone.

# WORDSEARCH CLUB

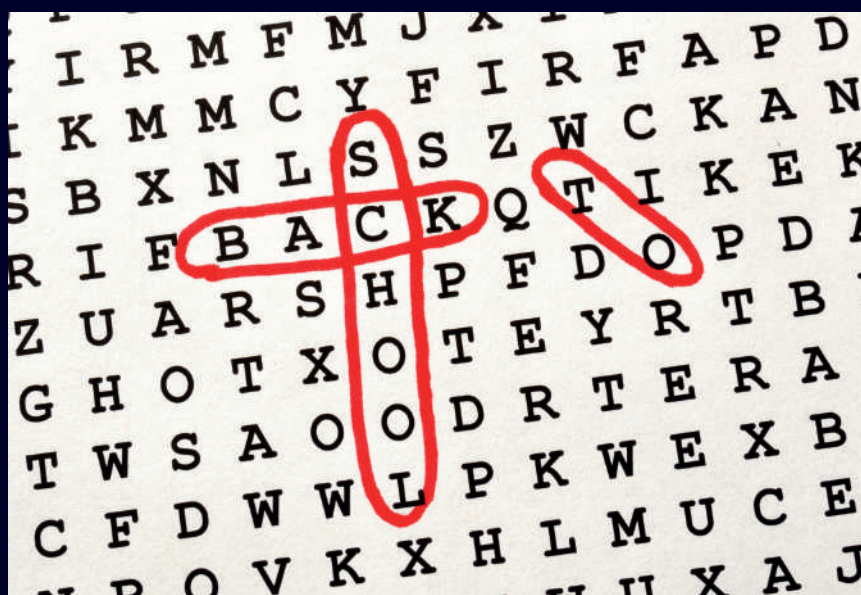

PROBLEM SOLVING

POSITIVITY

Get ready to sharpen your eyes and unleash your inner word detective! Then Word Search Club is for YOU!

Join a group where we dive into all sorts of puzzles, from tricky grids to themed challenges. This club is all about focus and the thrill of spotting that final hidden word. Whether you want to beat the clock or just relax with a good puzzle, you'll have a great time honing your search skills.

# YOGA

LISTENING

POSITIVITY

This club offers students a calm and supportive space to explore yoga. Each week, pupils will try simple poses, breathing techniques, and mindfulness, while learning how yoga can support flexibility, focus, relaxation, and overall wellbeing. Open to all Year 7 and 8 students, with a maximum of 20 places.

MONDAY - YEAR 7 & YEAR 8

# CHESHIRE SCHOOLS' BOOK AWARD (RISE TO 9)

EMOTIONAL INTELLIGENCE

POSITIVITY

Cheshire Schools' Book Award Team!

Love reading? Enjoy discovering new books? Want to help choose the next big winner?

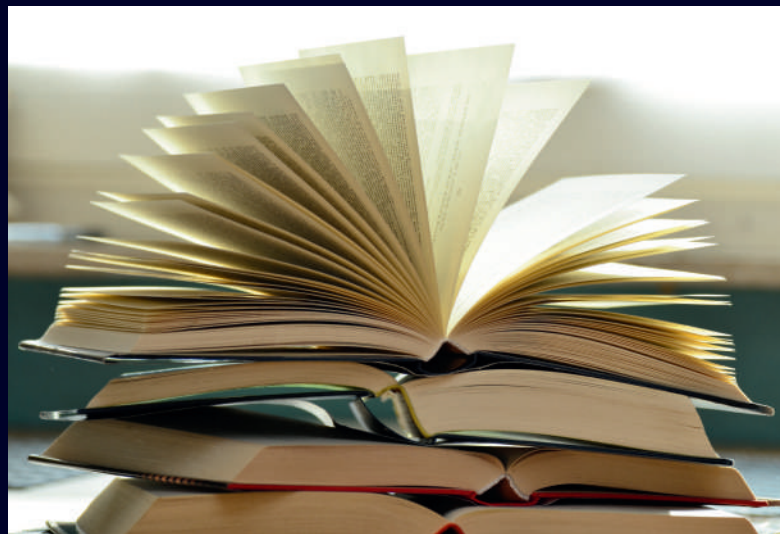

Be part of the Cheshire Schools' Book Award - a fun, pupil-led reading group where you get to read the shortlisted books, debate them, and vote for your favourite. You'll even have the chance to meet real authors, attend exciting events, and pick up some bookish goodies!

This year is the 20th anniversary celebration, taking place at Storyhouse in Chester - with author talks, workshops, crafts, and behind-the-scenes tours.

Open to all keen readers!

Come get involved, discover brilliant stories, and help choose Cheshire's Book of the Year.

Sign up now - limited spaces!

# BOARD GAMES AND CARD GAMES

PROBLEM SOLVING

COMMUNITY  
CONNECTEDNESS

Think games are just for fun? Think again!

Join our Games Club to challenge your friends, improve your skills, and prove that playing games is about more than just winning. Whether you're into quick-fire card games or strategic board games, this club is where you can show off your dexterity, problem-solving, and patience in a friendly, relaxed setting. Come discover new games and make some great memories along the way.

# EmpowerHER

EMOTIONAL INTELLIGENCE

POSITIVITY

Ready to spark your confidence, build your voice, and unleash your inner power? Then EmpowerHER is the club for YOU!

Join a community of inspiring girls where we talk real talk, take on fun challenges, and lift each other up. Whether it's boosting your self-belief, learning leadership skills, tackling stereotypes, or just having a good laugh – EmpowerHER is all about empowering YOU to be your boldest, brightest self.

Expect creative projects, inspiring guest speakers, team-building games, and the chance to make new friends while making a difference.

- 👑 Think confidence.
- 💬 Think courage.
- 💫 Think girl power – unlocked.

# LIBRARY CLUB

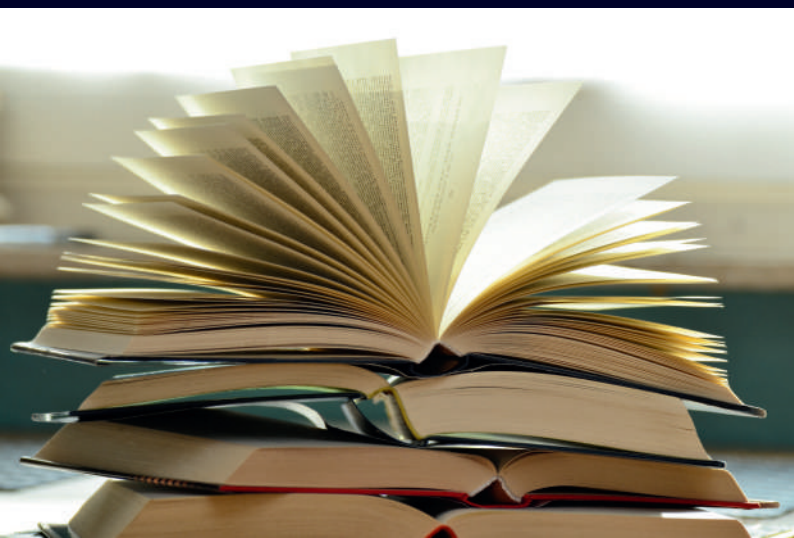

EMOTIONAL INTELLIGENCE

POSITIVITY

Joining a Reading or Library Club offers children a fun and enriching way to develop a lifelong love of books and learning. It encourages imagination, improves literacy skills, and builds confidence through shared discussions and activities. These clubs also create a welcoming space where children can explore new genres, discover new authors, and connect with others who share their interests - fostering both academic growth and social development. Whether it's diving into a mystery, exploring fantasy worlds, or sharing book recommendations, every session is a chance to grow, connect, and be inspired.

# BOYS FOOTBALL

TEAMWORK

POSITIVITY

Do you live and breathe football? Ready to get on the pitch and have a blast with your mates?

Our Football Enrichment club is the perfect place for anyone who loves the game. We're a fun and inclusive group - it doesn't matter if you're a seasoned player or you're just starting out.

Beyond the goals and the game, this is where you'll get to develop key dual curriculum skills like teamwork and staying positive. You'll learn to work with others and keep your head in the game, no matter what.

So, lace up your boots and get ready to join the team!

# FRESH

SPEAKING

LISTENING

Life can get stressful! school, friends, family, the future. It's a lot. Fresh offers a place to slow down, breathe, have fun and also talk about the deeper stuff through open conversations about faith, purpose, worth and values from a Christian perspective, we explore and discuss ways to handle stress, build confidence, and find hope even in tough times. No matter where you're coming from, this group is all about honest conversations, real-world topics, and finding encouragement for the journey ahead. While ran by Youth for Christ we invite students of all backgrounds to engage in games, fun, thoughtful discussions, helping others, asking questions and personal reflection. Come as you are, everyone is welcome!

TUESDAY - YEAR 7 & YEAR 8

# HOMWORK AND STUDY CLUB

PROBLEM SOLVING

AIMING HIGH

Come to Homework/study group to make sure you keep up to date with all of your homework. You can also study/prepare for your end of year assessments.

# DOODLEBUGS

TEAMWORK

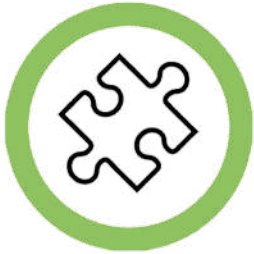

POSITIVITY

Why do we doodle? Doodling is a way of finding space for mindfulness, de-stressing and helping to process our emotions. Doodles can be a simple picture or pattern that we create absentmindedly while our attention is focused elsewhere, such as during a lesson or listening to music. If you love doodling then this is the enrichment for you. We will spend time creating doodles, looking at them symbolically and learning about famous 'doodlers'.

# LIFE SKILLS YR7/YR8

PROBLEM SOLVING

SPEAKING

LISTENING

EMOTIONAL INTELLIGENCE

Within this group, children will develop their skills in a number of areas which include: problem-solving, decision-making, communication, self awareness, listening, staying positive, teamwork, emotional intelligence, leadership and aiming high. We will also explore tasks which will build their fine motor skills. As a group we will complete a range of tasks which pupils for example, fastening buttons, tying shoes laces, telling the time on an analogue clock. Later into the term, we will look at crossing the road safely, visiting a shop and basic household tasks (this will be dependent upon student number and staff availability).

# MATHS RIDDLES AND GAMES (RISE TO 9)

PROBLEM SOLVING

POSITIVITY

Looking for a fun way to challenge your brain? Get ready to solve some puzzles and mysteries in our Maths Riddles and Games club!

We'll work together to untangle tricky word problems and figure out mind-bending maths mysteries. It's a chance to put your problem-solving skills to the test and think creatively. You'll get to apply what you've learned in class to a whole new set of fun challenges.

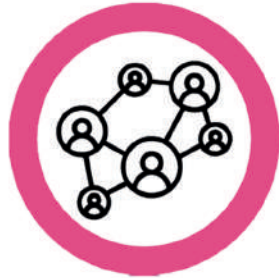

**THERE ARE 12 KIDS IN A CLASS. SIX KIDS ARE WEARING SOCKS, FOUR ARE WEARING SHOES, AND THREE ARE WEARING BOTH. HOW MANY HAVE BARE FEET?**

**CAN YOU MAKE 24 FROM THE NUMBERS 3, 3, 8, AND 8? YOU CAN ONLY USE THE OPERATIONS  $+$   $-$   $\times$   $\div$ , AND YOU HAVE TO USE ALL FOUR NUMBERS.**

**WHAT THREE NUMBERS HAVE THE SAME RESULT IF THEY ARE ADDED OR MULTIPLIED TOGETHER?**

# PENKETH GEOGRAPHIC (RISE TO 9)

COMMUNITY  
CONNECTEDNESS

AIMING HIGH

Pupils will have the opportunity to explore a geographical issue of personal interest, which they can creatively present through a format of their choice such as a presentation, blog post, or news report.

# PUPIL PRESS (RISE TO 9)

CREATIVITY

COMMUNITY  
CONNECTEDNESS

You will be researching, reporting and writing factual stories about school, for the Pupil Press. You will plan out the stories which may include creative pieces, sports, achievements, opinion pieces & general interest stories about the school community. Your work will be edited and each term an electronic Pupil Press with your pieces in it will be sent out to all parents and staff.

**PENKETH HIGH SCHOOL'S**

**PUPIL PRESS**

OUR TERMLY PUPIL NEWS

**SCHOOL PLAY 2025**

Cast of Annie at Penketh High May 25

**PASSIONATE PENKETH PUPILS PERFORM**

**Annie**

'Annie' was the musical that Penketh's music and drama departments chose to put on this year.

**About 'Annie'**  
The book and score for 'Annie Jr' was written by Thomas Meehan. It's based on the famous musical 'Annie' that he also helped create. The musical was inspired by a comic strip called Little Orphan Annie, which came from an old poem. The show first came out on Broadway in 1977 and was a big hit, winning seven Tony Awards. Some of the most popular songs from Annie are 'Tomorrow' and 'It's the Hard Knock Life.'

The book (which means the story, words spoken by the actors and the lyrics that

would be sung for the songs in the musical) has a run time of around an hour. This is a bit less than the version that professional drama groups would put on and there are some adjustments including to the songs to make them easier for school age pupils to sing.

**Plot Synopsis**  
For those who did not see our amazing show, Annie is a young girl living in New York City in the 1930s. She was left at an orphanage when she was a baby, and now she lives there with other girls. The orphanage is run by a mean lady called Miss Hannigan, who is really horrible to the children. But Annie is brave and always hopeful. She dreams of finding her real parents one day.

**PUPIL PRESS**

**YEAR 10 ENGLISH THEATRE TRIP**

Year 10 pupils were invited by the English Department to attend an education enhancing trip to Llandudno to the Cyredu Theatre, the beach and a journey on a tram up the Great Orme.

On Thursday 15th May, at 8:45, over 110 Year 10 pupils set off on a trip to Llandudno to watch a theatre production of a play they are studying in English 'An Inspector Calls' by J.B. Priestley.

Pupils were allowed to wear their own clothes, however they HAD to wear a school lanyard throughout their visit for their safety and identification purposes. The pupils and staff from the English Department (Miss Bradshaw, Mrs Mollat, Miss Lowe and Miss Grant) set off on an hour and a half long coach journey out of Warrington and along the North Wales coast to Llandudno.

The weather remained fine and sunny and upon arrival they were split up into 3 groups. Each group enjoyed a tram ride up the Great Orme (a large hill or small mountain that is a recognisable landmark of Llandudno).

The tram up and down the Orme took around forty five minutes and at the top the pupils enjoyed some time exploring the breezy headland.

When they had all returned off the tram to the bottom, the pupils spent around 45 minutes enjoying the area's local beach and then went off to take a short break eating lunch on the pier, in which many of the students indulged in a tasty treat: donuts and even a few portions of fish and chips for some!

# QUIZ CLUB

PROBLEM SOLVING

TEAMWORK

Quiz Club is open to all Penketh students. Each week there will be a different quiz, some of them cultural, others topical, it will depend on what is happening at that time of the year. Each week you will complete quizzes in pairs, in groups or on your own and learn how to problem solve and work well in a team. This club provides an opportunity to make new friendships and find out fun facts about a variety of topics

# RUBIK'S CUBE

PROBLEM SOLVING

POSITIVITY

Ready to twist, turn, and solve the ultimate puzzle? Then Rubik's Cube Club is for YOU!

Join a team where we'll teach you the beginner's method to solving a 3x3 cube, step by step. Whether you're a total beginner or just need to brush up on your skills, this club is all about problem-solving, patience, and celebrating that final satisfying click. Expect to learn new algorithms, master your moves, and race your way to a new personal best.

TUESDAY - YEAR 7 & YEAR 8

# SCHOOL PRODUCTION

CREATIVITY

AIMING HIGH

Students who select this enrichment will make up the cast for the school musical. This year we will be doing Rock of Ages (Youth Edition). By selecting the enrichment and committing to the process, you have a part in the ensemble of the show. Main cast auditions will be held on Monday 8th December and more information will be on teams regarding this in the coming weeks.

Rehearsals will be during enrichment time and also run on after school on a Monday, Tuesday and Thursday until 4:20pm. Students who select this enrichment will need to commit to these after school rehearsals as well as the enrichment time (if you get the school bus home, please come and have a conversation with us). If you wish to participate in the school show, you need to select school production for BOTH days that you have enrichment. The only exception to this is if you are on a sports team or you are doing DofE. In these cases only you select for the opposite day that you are not in the team / in DofE.

If you have any questions, please speak to either Mrs Dean, Mrs Booth or Mrs Cole.

# WORDSEARCH CLUB

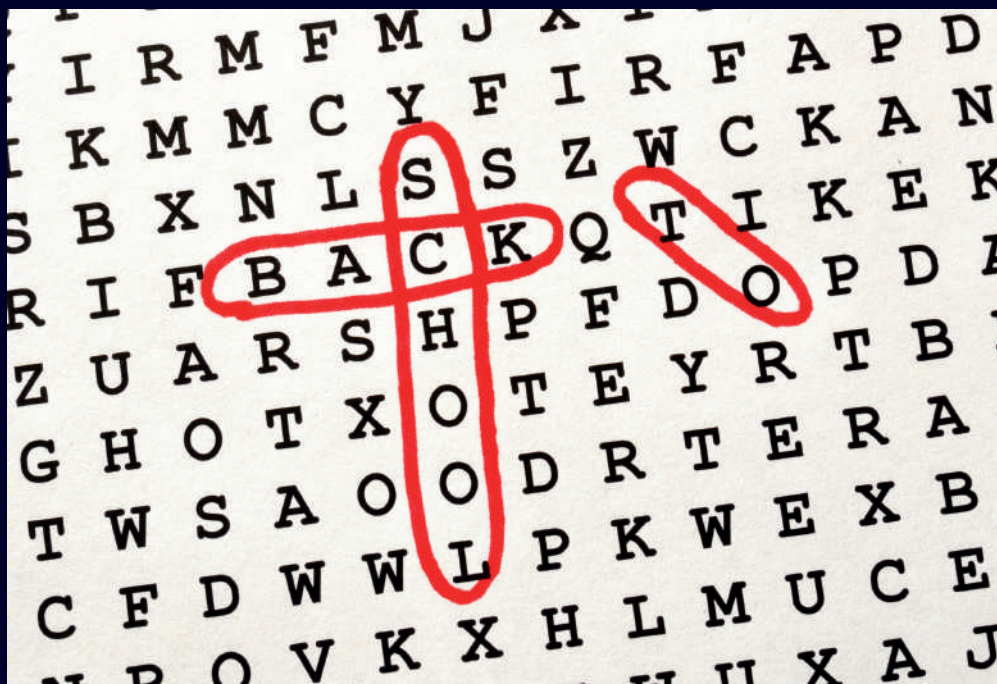

PROBLEM SOLVING

POSITIVITY

Get ready to sharpen your eyes and unleash your inner word detective! Then Word Search Club is for YOU!

Join a group where we dive into all sorts of puzzles, from tricky grids to themed challenges. This club is all about focus and the thrill of spotting that final hidden word. Whether you want to beat the clock or just relax with a good puzzle, you'll have a great time honing your search skills.

# PRACTICAL STEM CAREERS

TEAMWORK

AIMING HIGH

Interested in science and STEM opportunities? In this club we will try out some practical investigations that could be used in a range of STEM careers including veterinary nursing, countryside ranger, technicians in the bike, dental, colour dye and concrete industries. This is a 'hands-on' club so you must be prepared to get involved.

# BOYS FOOTBALL

TEAMWORK

POSITIVITY

Do you live and breathe football? Ready to get on the pitch and have a blast with your mates?

Our Football Enrichment club is the perfect place for anyone who loves the game. We're a fun and inclusive group - it doesn't matter if you're a seasoned player or you're just starting out.

Beyond the goals and the game, this is where you'll get to develop key dual curriculum skills like teamwork and staying positive. You'll learn to work with others and keep your head in the game, no matter what.

So, lace up your boots and get ready to join the team!

# LITTER PICKING

TEAMWORK

POSITIVITY

Students who are interested in "Keeping Penketh Tidy" will help to collect any rubbish around the school site. Students may need a coat and some waterproof clothing if the weather is adverse.

# SCHOOL PRODUCTION

CREATIVITY

TEAMWORK

Students who select this enrichment will make up the cast for the school musical. This year we will be doing Rock of Ages (Youth Edition). By selecting the enrichment and committing to the process, you have a part in the ensemble of the show. Main cast auditions will be held on Monday 8th December and more information will be on teams regarding this in the coming weeks.

Rehearsals will be during enrichment time and also run on after school on a Monday, Tuesday and Thursday until 4:20pm. Students who select this enrichment will need to commit to these after school rehearsals as well as the enrichment time (if you get the school bus home, please come and have a conversation with us). If you wish to participate in the school show, you need to select school production for BOTH days that you have enrichment. The only exception to this is if you are on a sports team or you are doing DofE. In these cases only you select for the opposite day that you are not in the team / in DofE.

If you have any questions

WEDNESDAY - YEAR 9 & YEAR 10

# DEBATE SOCIETY (RISE TO 9)

EMOTIONAL INTELLIGENCE

TEAMWORK

Join Debate Club! Sharpen your speaking skills, build confidence, and learn how to argue your ideas with style. Each week we'll tackle exciting topics, challenge each other's opinions, and have fun while improving teamwork, emotional intelligence and critical thinking. Open to all—no experience needed!

# ROUNDERS

POSITIVITY

TEAMWORK

Rounders is a bat and ball game where 2 teams take turns batting and fielding with the team scoring the most rounder points becoming the winners of the game. Rounders is an activity that is good for mental agility, strategically thinking, quick decision making under pressure and a good team building exercise.

WEDNESDAY - YEAR 9 & YEAR 10

# DUKE OF EDINBURGH YEAR 9 BRONZE

COMMUNITY  
CONNECTEDNESS

TEAMWORK

Think you've got what it takes to explore, challenge yourself, and make a difference? Our Duke of Edinburgh (DofE) Club is your chance to shine!

DofE is all about stepping out of your comfort zone and showing what you're capable of. You'll learn essential skills, volunteer in your community, and take part in a thrilling expedition with your friends. It's a fantastic way to boost your confidence, develop your leadership skills, and earn an award that looks great on any CV or college application.

**DE**  
*of*

THE DUKE OF  
EDINBURGH'S AWARD

WEDNESDAY - YEAR 9 & YEAR 10

# PENKETH FEMINIST GROUP

EMOTIONAL INTELLIGENCE

COMMUNITY  
CONNECTEDNESS

Penketh Feminist Group is a community-led space for women and allies who believe in equality, empowerment, and positive change. We meet to discuss issues that matter, support one another, and take action - locally and beyond. Whether you're passionate about feminist activism, looking to learn more, or simply want to connect with like-minded people, our group offers a friendly, inclusive environment where every voice is valued.

Together, we champion equality, challenge inequality, and build a stronger, more supportive community for everyone in Penketh. It's a step-up from EMPOWERHER where we really get into the real issues surrounding equality with a strong, inclusive and feminist focus!

# FURTHER MATHS

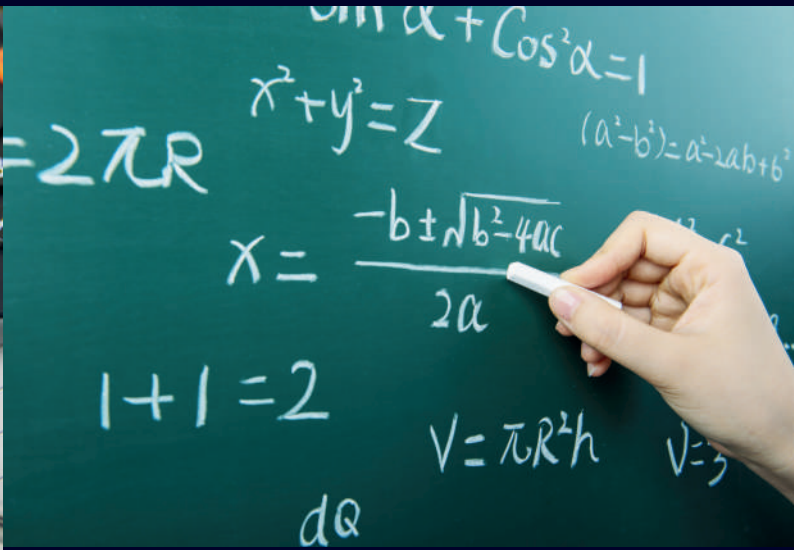

PROBLEM SOLVING

AIMING HIGH

Pupils in top set year 10 can choose to study for an extra qualification in Further Maths. The lessons take place on Tuesdays and Wednesdays during period 6. Pupils will sit 2 external exam at the end of year 11. This course requires pupils to put in a significant amount of independent work during year 11.

# LETTERBOXD CLUB

CREATIVITY

AIMING HIGH

Letterboxd Club calls all budding film enthusiasts/ critics!

Together we will watch a film before deciding as a class our Letterboxd rating (rated out of 5 stars). We will then write a review of the film, focusing on plot, acting, cinematography, score, and anything else we find important. This is great if you are interested in film and are wanting to improve your writing skills. There will also be opportunities to discuss films we have watched in our own time and any independently written reviews are more than welcome!

# MINDFULNESS COLOURING

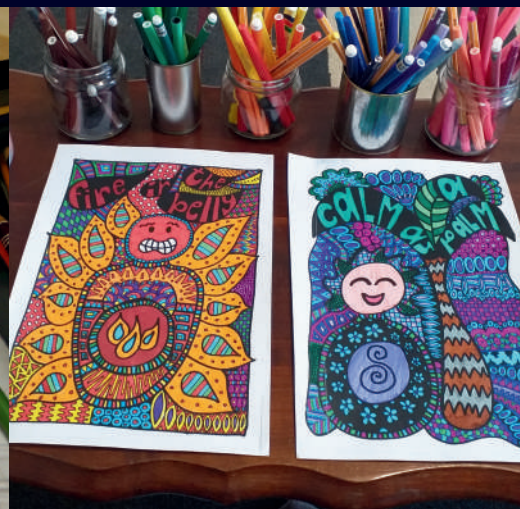

POSITIVITY

CREATIVITY

Feeling stressed or just need a moment to yourself? Our Mindfulness Colouring Club is the perfect place to unwind and recharge.

This club gives you a calm space to focus on your well-being. By colouring intricate, pre-drawn illustrations, you'll learn to quiet your mind, reduce stress and anxiety, and improve your focus. It's a simple, creative way to take a break from the busy school day and tap into your inner calm.

# NEDDLEFELTING

CREATIVITY

POSITIVITY

Needle felting is the art of matting wool fibres together using a special needle with notches cut out of it to create felt. You will use this technique to create 2 and 3 dimensional projects, such as pictures, animals, flowers and other decorations. You do not need to be a great artist to make things, you just need patience and concentration.

# QUIZ CLUB

PROBLEM SOLVING

TEAMWORK

Quiz Club is open to all Penketh students. Each week there will be a different quiz, some of them cultural, others topical, it will depend on what is happening at that time of the year. Each week you will complete quizzes in pairs, in groups or on your own and learn how to problem solve and work well in a team. This club provides an opportunity to make new friendships and find out fun facts about a variety of topics

# RUMMIKUB

PROBLEM SOLVING

CREATIVITY

Rummikub is a tile game for 2 to 4 players. The game consists of tiles in 4 colours. Each colour has 2 sets of tiles from 1-13. There are also 2 joker tiles. To win the game, play all your tiles before anyone else does by making sets of groups and runs.

Students will enjoy this enrichment if they like calm games that involve problem solving.

# BOYS FOOTBALL

TEAMWORK

POSITIVITY

Do you live and breathe football? Ready to get on the pitch and have a blast with your mates?

Our Football Enrichment club is the perfect place for anyone who loves the game. We're a fun and inclusive group - it doesn't matter if you're a seasoned player or you're just starting out.

Beyond the goals and the game, this is where you'll get to develop key dual curriculum skills like teamwork and staying positive. You'll learn to work with others and keep your head in the game, no matter what.

So, lace up your boots and get ready to join the team!

THURSDAY - YEAR 9 & YEAR 10

# DUKE OF EDINBURGH YEAR 9 BRONZE

COMMUNITY  
CONNECTEDNESS

TEAMWORK

Think you've got what it takes to explore, challenge yourself, and make a difference? Our Duke of Edinburgh (DofE) Club is your chance to shine!

DofE is all about stepping out of your comfort zone and showing what you're capable of. You'll learn essential skills, volunteer in your community, and take part in a thrilling expedition with your friends. It's a fantastic way to boost your confidence, develop your leadership skills, and earn an award that looks great on any CV or college application.

THE DUKE OF  
EDINBURGH'S AWARD

# HEALTH & SOCIAL CARE/CHILD DEVELOPMENT TASTER (RISE TO 9)

SPEAKING

AIMING HIGH

We will be exploring concepts required as part of the Health & Social Care and Child Development courses to get a head start for those students in Year 9 who have chosen it as an option for Year 10 (or students in year 10 who want to recap their knowledge and understanding of the the foundations of the course). We will explore areas of growth and development, life stages and factors that may impact how we grow and develop. We will also investigate careers and how the skills required to work within these sectors are applied in real life scenarios.

# YEAR 10 FOOD HYGIENE LEVEL 1

COMMUNITY  
CONNECTEDNESS

LISTENING

The RSPH Level 1 Award in Food Hygiene Awareness enable you to gain basic knowledge and understanding of the importance of food hygiene, associated food hazards, good hygiene practice and controls based upon an awareness of food safety management systems. This is important for understanding and maintaining good practice in the handling, processing and preparation of safe food

# ATHLETICS

LEADERSHIP

TEAMWORK

On a weekly basis we will focus on a different athletic event. Boys and girls welcome. This will further support lessons and give pupils and opportunity to develop technique ahead of sports day and town sports athletics.

# HOMEWORK/ STUDY CLUB

CREATIVITY

EMOTIONAL INTELLIGENCE

The Homework and Study Club provides a structured and supportive environment for pupils to complete academic work and prepare for assessments. This dedicated space allows students to focus without distraction, fostering a disciplined approach to their studies.

Pupils can use this time to work on assigned homework tasks or engage in self-study for end-of-unit tests and mock exams. The club offers the flexibility to work on paper or to utilize our computers for research and other digital assignments. By providing a consistent opportunity for focused work, this club aims to improve time management, reduce academic stress, and enhance overall academic performance.

# LETTERBOXD CLUB

CREATIVITY

AIMING HIGH

Letterboxd Club calls all budding film enthusiasts/ critics!

Together we will watch a film before deciding as a class our Letterboxd rating (rated out of 5 stars). We will then write a review of the film, focusing on plot, acting, cinematography, score, and anything else we find important. This is great if you are interested in film and are wanting to improve your writing skills. There will also be opportunities to discuss films we have watched in our own time and any independently written reviews are more than welcome!

# MINDFULNESS COLOURING AND MEDITATION

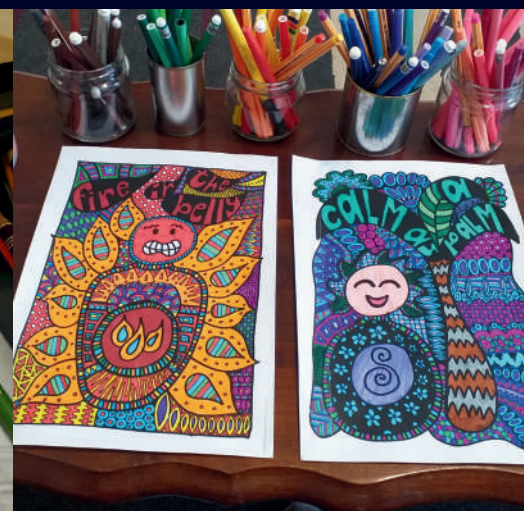

POSITIVITY

CREATIVITY

Feeling stressed or just need a moment to yourself? Our Mindfulness Colouring Club is the perfect place to unwind and recharge.

This club gives you a calm space to focus on your well-being. By colouring intricate, pre-drawn illustrations, you'll learn to quiet your mind, reduce stress and anxiety, and improve your focus. It's a simple, creative way to take a break from the busy school day and tap into your inner calm.

# SEASONAL CRAFT

LISTENING

CREATIVITY

At seasonal craft club you will design and make small decorative items/gift items that can be taken home. Themes include Halloween, Christmas and Easter or even a special birthday gift for a loved one. You will spend some time designing your item, before using raw materials provided, to make your final product.

# SCHOOL SET DESIGN

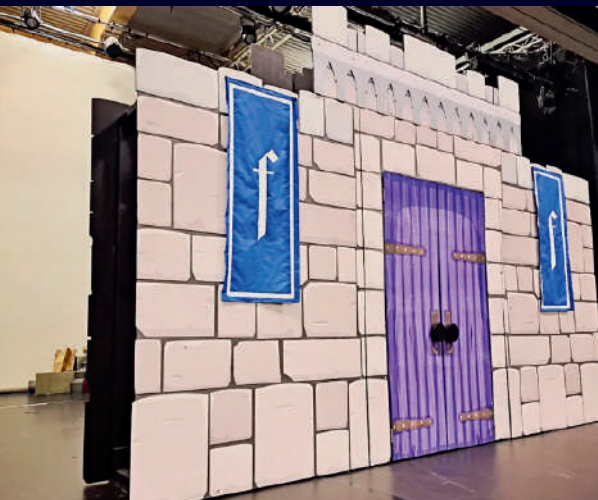

POSITIVITY

CREATIVITY

The Props & Set Design Club brings the school show to life through creative, hands-on design. Members sketch ideas, build props, and paint sets, using imagination and practical skills to shape each production.

Teamwork is at the heart of the club—students share ideas, collaborate on projects, and aim high to produce impressive, professional-style work. It's an inspiring space to develop creativity, learn new techniques, and make a meaningful contribution to the school show.

# SCHOOL PRODUCTION

CREATIVITY

AIMING HIGH

Students who select this enrichment will make up the cast for the school musical. This year we will be doing Rock of Ages (Youth Edition). By selecting the enrichment and committing to the process, you have a part in the ensemble of the show. Main cast auditions will be held on Monday 8th December and more information will be on teams regarding this in the coming weeks.

Rehearsals will be during enrichment time and also run on after school on a Monday, Tuesday and Thursday until 4:20pm. Students who select this enrichment will need to commit to these after school rehearsals as well as the enrichment time (if you get the school bus home, please come and have a conversation with us). If you wish to participate in the school show, you need to select school production for BOTH days that you have enrichment. The only exception to this is if you are on a sports team or you are doing DofE. In these cases only you select for the opposite day that you are not in the team / in DofE.

If you have any questions, please speak to either Mrs Dean, Mrs Booth or Mrs Cole.

# UNITED UTILITIES PROJECT

TEAMWORK

AIMING HIGH

This club is for pupils who are passionate about science and are considering a future in a STEM (Science, Technology, Engineering, and Maths) field. You'll get to work on real-world, science-based projects, collaborating with professionals from local industries like United Utilities. It's a unique opportunity to gain practical experience, make valuable connections, and get a head start on your career goals.

# RISE TO 9 HOMEWORK AND STUDY CLUB

PROBLEM SOLVING

COMMUNITY  
CONNECTEDNESS

Come to Homework/study group to make sure you keep up to date with all of your homework. You can also study/prepare for your end of year assessments.
